Supervision of children: A responsible adult (16+) may bring two children under the age of 8 but only one of those children can be under 5 years. The adult must be in the water with the children.

For safety reasons we cannot allow masks, snorkels, fins or wet suits during general swimming. Inflatable toys are at the discretion of pool-side staff.

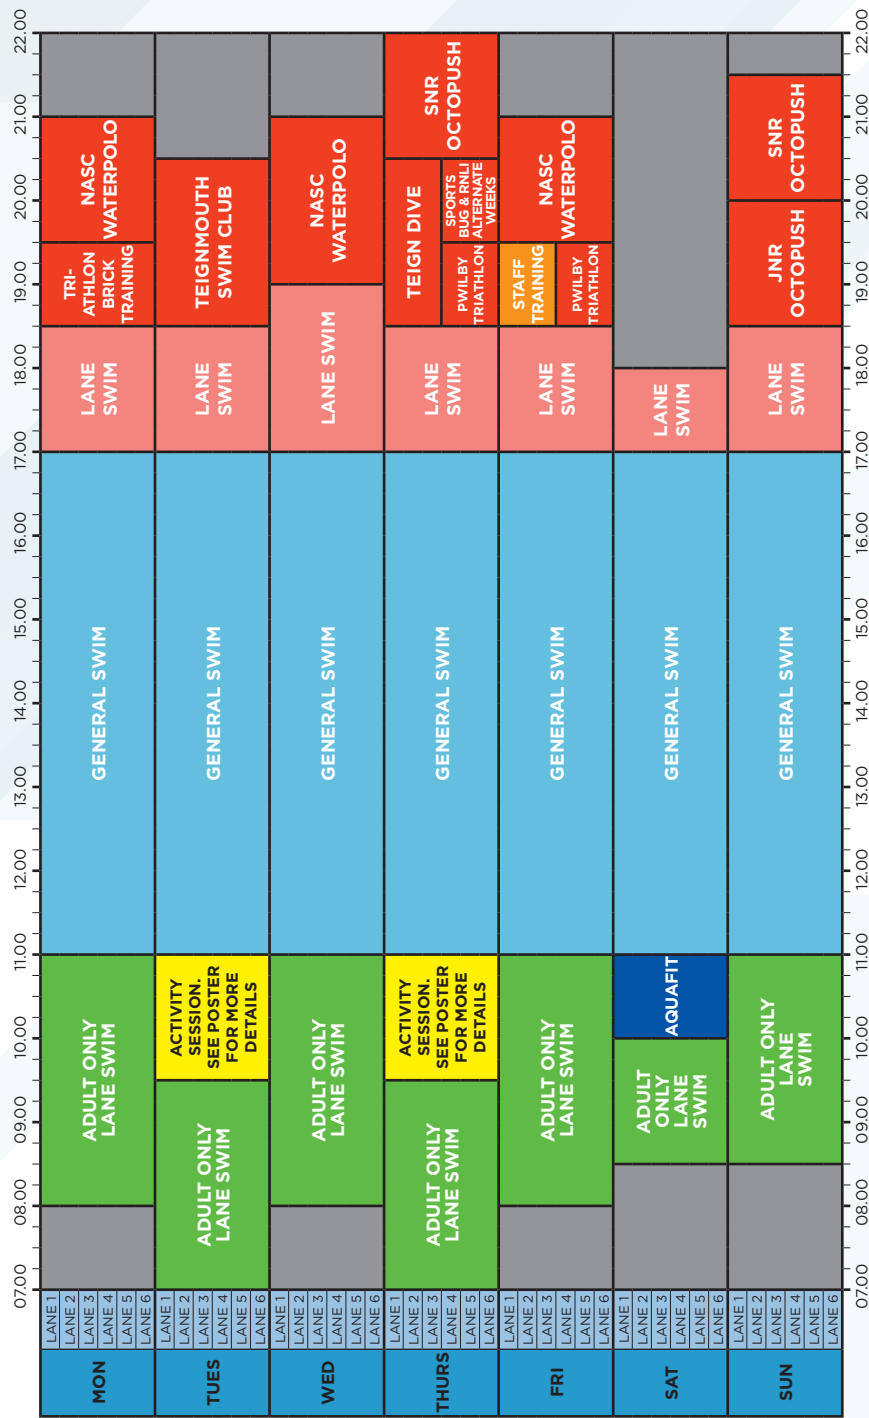

Accessibility: We welcome swimmers with disabilities and every effort has been made to make the Lido as accessible as possible: There is a hearing loop at reception, toilet with grab rails and steps available for entry into the pool. However, we regret that the Lido is not suitable for some wheelchair users.
