Supervision of children: A responsible adult (16+) may bring 2 children under the age of 8 but only 1 of those children can be under 5 years. The adult must be in the water with the children at all times.

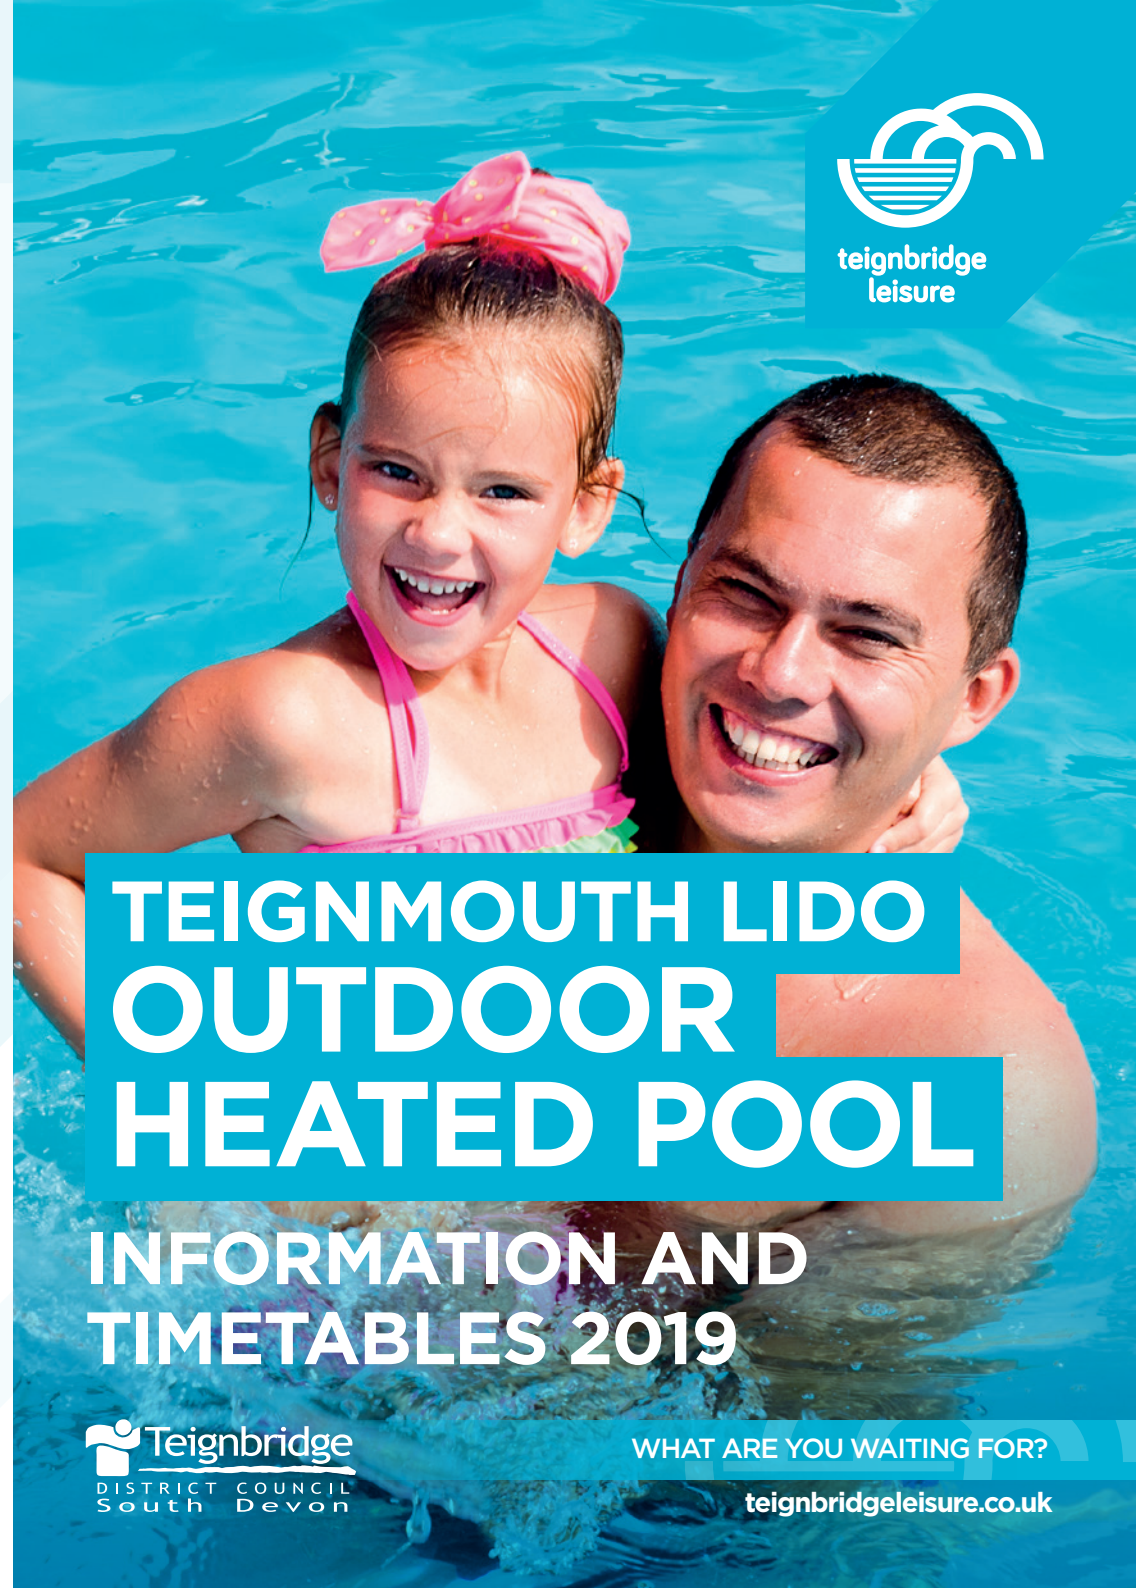

Floats at lifeguards discretion. For safety reasons we cannot allow masks, snorkels, fins or wet suits during fun sessions.

Accessibility: We welcome swimmers with disabilities and every effort has been made to make the Lido as accessible as possible. There is a hearing loop at reception, toilet with grab rails and steps available for entry into the pool. However, we regret that the Lido is not suitable for some wheelchair users as we have no pool hoist.
